leaf™

short copy

a swaying seat that makes a statement

full copy

Inspired by the carefree float of a leaf on a breeze, the LEAF baby seat treats baby to a similarly mesmerizing ride. Our distinctive design—the only of its kind—was invented from baby’s point of view and works at playtime, lunchtime and mama’s chortime.

Whether it’s a motor-free ride to newborn dreamland, a wiggle party once they’re walking, or a crash pad after a hard day on the preschool playground, the LEAF is both revolutionary and evolutionary—and endurance-tested up to a whopping 60 kgs. That should keep them rocking out for years.

exclusive to the LEAF series

- ultra-smooth quiet and energy smart side to side gliding motion with no batteries, motor or electricity required

features

- unique, distinctive, contemporary design
- made with better for baby certified Oeko-Tex® fabric
- removable and machine washable organic cotton insert
- removable and machine washable cushioned seat pad
- motion lasts unassisted for over two minutes with a gentle push
- 3 point, soft, padded and adjustable Velcro® seat belt
- motion lock
- rock safe base
- seat easily removes from base for quick and easy assembly and disassembly
- optional mesh backing provides little breezes

cleaning instructions

- both seat pad and organic cotton insert are removable and machine washable
- lay flat and air dry

materials

- base: high pressure injection-molded aluminum alloy
- seat frame: welded steel tubing and steel stamping
- bearing spindle: steel with hardened steel pin

leaf[™] curv

short copy

a swaying seat that's perfectly curv'd

full copy

To curve or not to curve? Its not so much the question, more a matter of preference. The choice is now yours for our swaying seat that makes a statement - thanks to its updated posh design with a twist (or should we say swirl?), the LEAF curv.

Every bit as eco-smart and evolutionary (yes- it too can hold up to 60 kgs) as its "big bro" the LEAF, the LEAF curv gives a sharp, sassy and swirl-like spin to this award winning design and is sure to throw a contemporary curve ball to traditional nurseries and living spaces alike.

Perfect for baby. Perfect for mum and dad. Perfect for the modern day family.

exclusive to the LEAF curv

- removable newborn insert provides extra comfort

exclusive to the LEAF series

ivvi™ pushchair

short copy

from first ride to finished strolling

full copy

They'll be running around before you know it. That's why we created the IVVI – our multimode pushchair from the day they arrive until they don't want to be pushed around anymore.

Faunting flexible folds with the seat on or off (no more two piece tangles) and endless daytime dreaming possibilities thanks to its true flat sleeper seat (on-the-go naptime is not just for newborns anymore) our hybrid system handles carry cot, car seat and curious toddlers with equal parts innovation and fashion-forward design.

Now little riders and grown-up drivers can explore in style.

exclusive to the IVVI pushchair

- 180° true flat recline allows for super laid back lounging

features

- deluxe, compact, streamlined design
- four modes for newborn and toddler use: carry cot, group 0+ car seat, forward and rear facing seats
- made with better for baby certified Oeko-Tex® fabric
- simple one hand, 5-position reclining backrest
- adjustable handle and reversible seat to face you or face the world
- quick release wheels make for an ultra compact fold, with seat on or off
- self standing when folded
- trolley function when folded
- rear wheel suspension including 11" rear run flat wheels for all types of terrain
- ball bearings within the front and back wheels provide smooth maneuverability
- no re-thread harness
- one-hand adjustable calf support with integrated footrest
- two-position adjustable, pivoting and removable arm bar fits kids of all sizes
- seat features integrated handle for easy carrying when disassembled
- super oversized, extendable canopy with flip out eyeshade
- simple height adjustable, one-hand push bar mechanism
- mesh peek-a-boo window for increased ventilation
- 3 or 5 point, anti-loop, height adjustable buckle system

- one-touch central braking system
- lockable front swivel wheels
- storage basket with flip-up compartment divider and integrated carry handle

cleaning instructions

- frame and plastic parts: wipe with a damp cloth and air dry
- fabric: machine washable, lay flat and air dry
- wheels: rinse regularly with water

materials

- anodized aluminum frame
- foam, filled airless rubber tires

included accessories

- group 0+ car seat adapters that fit the Nuna PIPA™
- rain cover

dimensions

- product: l 108.5 x w 65.0 x h 103.5 cm
- folded: l 77.0 x w 47.5 x h 65.0 cm (without seat)

video

short copy

a cot that's oh-so-clever and oh-so-comfy

full copy

Designed for daytime dreaming – the IVVI's carry cot provides your new arrival with all the posh little passenger perks they could ever want or need. With everything from its oh-so-cozy mattress to its oh-so-clever cubby (removable and discrete for stashing swag and such) this cot has it covered.

Add in its first class canopy-boasting a flip out eyeshade, look-at-me window and darling dream drape™ (to ensure uninterrupted shut eye)-this cot is certain to make your walk in the park, a sweet stroll to dreamland for them.

Happy snuggling, snoozing and cruising in style.

exclusive to the IVVI carry cot

- dream drape provides extra protection from the environment
- hidden storage compartment is both removable and washable

features

- unique, comfortable, lightweight design
- removes and connects swiftly and easily from IVVI pushchair frame to create pram mode
- made with better for baby certified Oeko-Tex® fabric
- integrated, oversized, canopy with flip out eyeshade
- soft, layered liner is removable and machine washable
- comfy mattress pad has a warm, microknit side for cold weather and a breathable side for warmer weather
- mattress pad cover is removable and machine washable
- top cover keeps baby warm and is easily removable with quick release zippers
- non-slip feet line the bottom surface for added security and cleanliness
- ergonomic, aluminum carry handle with overmold grip
- mesh peek-a-boo window for increased ventilation

pipa™

short copy

the ultimate safe haven

full copy

Style and safety should never have to be sacrificed. Thanks to our clever and fashionable group 0+ car seat the PIPA, both of these essentials are combined; providing ultimate comfort and protection for little lives, every which way you may decide to take them in.

Its sleekly styled and revolutionary dream drape™ creates a shelter that harbors baby from the elements, making it a must have safe haven. On its own or paired with the PEPP™ series or IVVI™ pushchair, our Nuna PIPA makes on-the-go be oh-so-easy.

Here's to making their first outing a world debut.

exclusive to the PIPA

- first of its kind dream drape provides extra protection from the environment and sun
- fits all Nuna and Maxi-Cosi® car seat adapters
- infant body insert is removable and interchangeable with the PEPP series

features

- distinctive, comfortable, contemporary design
- made with better for baby certified Oeko-Tex® fabric
- side impact protection
- able to be installed with vehicle seat belt
- doubles as a rocker when not attached to buggy
- integrated, full coverage 2-position canopy with eyeshade
- single pull harness adjustment
- 5 point harness for maximum security
- ergonomic, aluminum carry handle with overmold grip
- removable, washable seat cover and infant insert
- commercial airplane certified
- shoulder and crotch padding
- sun canopy with mesh peek-a-boo window for increased ventilation

pipa™ ISOFIX base

short copy

a smart, simple true lock™ install

full copy

Outings with your newest addition should always be safe, stress-free and a snap. Mission accomplished with the PIPA ISOFIX base – the perfect companion for our superbly secure and cleverly chic group 0+ PIPA car seat.

Sporting a steel stability leg with a built in crumple zone – plus its smart, simple and secure true lock installation system – our PIPA ISOFIX base assures ultimate baby safe keeping. Along with a 5-second install and green-for-go safety indicators, this base makes set up a cinch.

No more fussing and fretting means more time for cooing and cruising.

features

- connects with the Nuna PIPA car seat
- true lock installation makes set up simple and secure using a car's ISOFIX anchor points
- load leg provides ultimate stability and security
- built-in crumple zone so that less force is transferred to baby in the event of a crash
- indicators confirm correct fit of the PIPA to vehicle
- indicators confirm correct installation of load leg
- when not in use load leg folds under base for storage
- release button makes switching vehicles easy

short copy

a travel cot that doubles as a crib and playspace

full copy

After a busy day away from home, the last things you want to worry about are an uncooperative cot and a fussy tot. The chic Nuna SENA and SENA mini—thanks to our clever zigzag leg design—pop open easily into a soft, sturdy dreamland, and then refold with just one hand for a quick getaway the next morning.

The SENA series belong to a Dutch-designed family of smart baby gear, so you know its revolutionary design is also evolutionary: growing beyond newborn through toddlerhood, and even doubling as a playspace.

Let the travelling begin.

exclusive to SENA and SENA mini

- the only cot whose upper cot folds with the frame

features

- unique, distinctive, contemporary design
- folds with one hand
- made with better for baby certified Oeko-Tex® fabric
- perfect for home & away
- regular and mini size available
- sets up and folds in seconds
- ultra compact, self-standing fold
- soft, padded edges to prevent finger pinches
- soft, quilted mattress
- water-resistant, durable fabric resists stains, drips and tears
- breathable mesh fabric sides
- quick and easy upper cot attachment and removal
- sturdy, aluminum frame that is easy to transport
- eight support legs to increase stability of product
- above-ground base keeps baby draft-proof
- travel bag included with easy carry handle

cleaning instructions

- cot fabric:
 - clean with cold water and air dry
 - do not use abrasives or bleach
 - do not machine wash
- bassinet and cot bag:
 - hand wash in luke warm water and air dry

materials

- aluminum frame

pepp™

short copy

a smooth ride with one sweet fold

full copy

The smaller your bundle of joy, the more stuff you need to carry around. (It is a rule they never tell you.) Thank goodness the PEPP buggy is cleverly designed to think of everything, from an ultra-compact fold-in-half design to the ability to get around town with one hand (which is how you will be operating most days) to a fully flat recline for on-the-go snoozes.

Funny how the littlest things can mean so much.

features

- unique, compact, lightweight design
- ultra compact, flat fold with fold lock
- self standing when folded
- made with better for baby certified Oeko-Tex® fabric
- easy-carry handle
- trolley function when folded
- height adjustable, one-hand push bar
- 3 or 5 point, anti-loop, height adjustable buckle system
- 3-position reclining backrest including flat recline for infants
- one-touch central braking system
- front wheel suspension
- suspension directly under seat
- energy absorbing frame
- machine washable seat pad
- oversized, removable canopy with flip out eyeshade
- removable storage basket
- 2-position, adjustable footrest
- peek-a-boo window

pepp™ luxx

short copy

a first class crusier

full copy

They say if it ain't broken, don't fix it. So we didn't...we just made it that much better. Introducing the PEPP luxx, a brand new spin on our sharp little buggy, designed to make life with little ones exclusively elite.

Practicality of use, comfort for baby and the ability to ride in style all wrapped up in one fabulous (flatter!) total package.

LUXX upgrades
